In the beginning the bell rings, and a new year starts to unfold. For the first time in over a year, many new faces are present as sophomores enter their first year of high school. Juniors experience an exciting year ranging from the madness of magazine sales, along with the anxieties of receiving class rings, to last but certainly not least, the enchantment that accompanies a Junior-Senior Prom.

For the confident seniors comes the end to a more or less secure phase of life. As they prepare to meet the responsibilities and challenges of a totally new lifestyle, the experiences and memories of high school years will remain with them.

This year's GROWLER presents the NEW spirit at TSHS. As some old things are abandoned, new things take their place: A new school auditorium is being built; a new recreation room is being used, and plans for a new athletic conference are being made. As we cling to memories of the old and familiar, the persistent new causes us to realize that only through ending can there be . . .

. . . a new beginning.

November 24, 1976

Dear Friends,
I was certainly honored to be asked to take part in your Miss Thomasville Senior High School contest.

After reading and studying the activities and philosophies of life of each contestant, I realized what a fine representation of American youth exists at Thomasville Senior High.

In making a decision, I was concidering several characteristics; beauty, leadership, service, personality and scholastic achievment. Each contestant possesses these qualities and is obviously very special to have been nominated by the senior class.

My congratulations and best wishes go to your new Miss Thomasville Senior High School, Jane Gilliam.

Thank you again for this honor.

Sincerely,
Susan Lawrence

Time . . . A New Beginning

Time is to man a precious gift,
So learn to live each day to the fullest.
Cherishing good things, learning from the bad,
And taking the time to search for a new beginning.

Why didn't I save the Civic Center?

TSHS takes time to honor our fine players with the spirited fight song.

"I've got to style your hair."

A keen time to lean for these guys.

Patty takes time to think.

Time out for a quick crime!

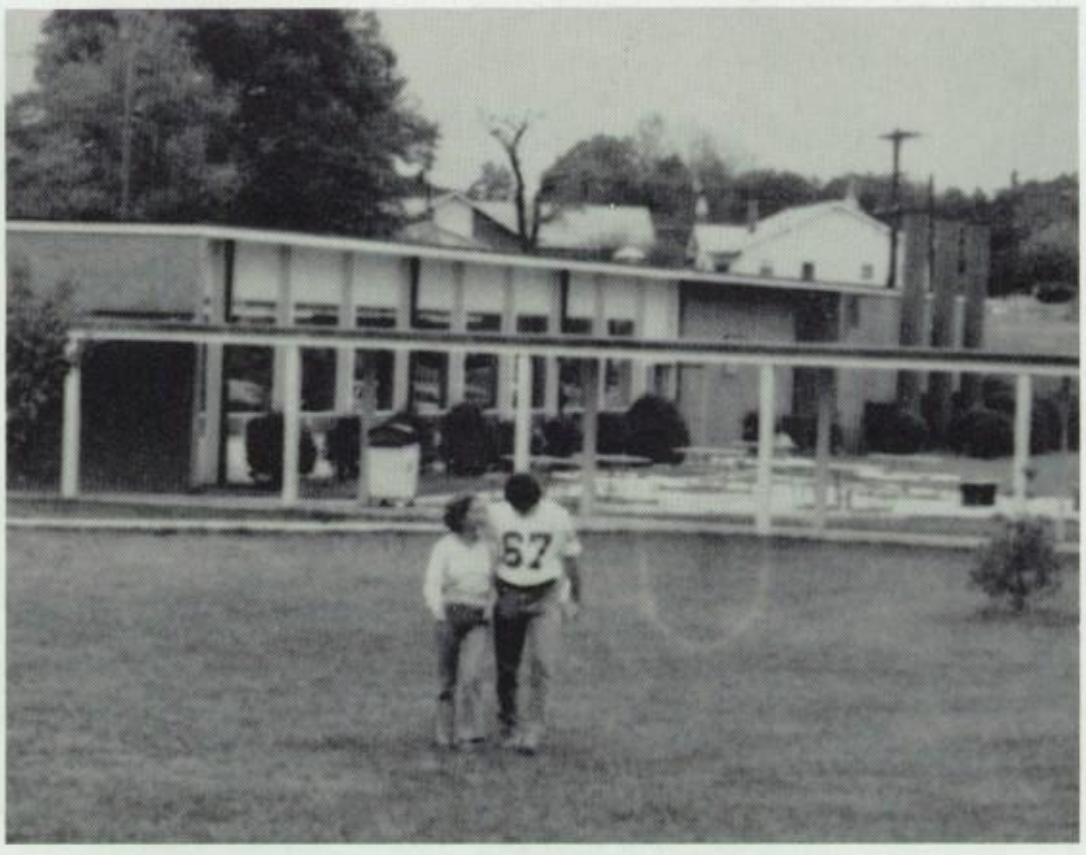
A new beginning with the excitement of the Rec. Room, the ringing of the Victory Bell, and Julia's stylish dress!

Dogs take a moment to clean house.

Kathy searches for — SUPERMAN?

Seniors begin again.

"But I do[illegible]nt to get out of bed."



Time brings back cherished memories for Tim and Stephanie.

Jr. Civitans Miracle Worker

Junior Civitans

Jr. Civitans re-entered school activities this year as a school club. Having changed many policies and objectives, the club set out to serve the school and community. A successful Disco Dance and work in Halloween candy sales bolstered the club treasury. New exciting things are happening in Jr. Civitans — things involving the school, community and local club. Jr. Civitans salutes a new beginning.

The 1976 Varsity Football Team enjoyed a great season with a 9-2 mark. They put in an unbelievable amount of hard work and dedication and all will agree that it paid off. The Bulldogs made history this year by winning their first nine games, giving a 9-0 record. Then a tough Lexington team showed them their first loss of the season in the SPC championship game.

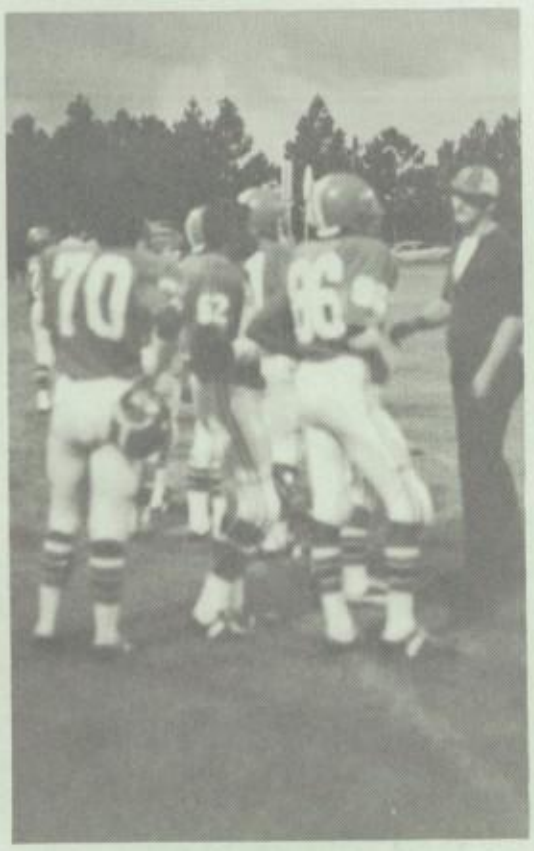
Huns Make History With 9-1 Record



Sideline Strategy

The Thomasville Junior Varsity Huns had an outstanding year with a 9-1 mark. This is the best record in the history of J.V. football at Thomasville Senior High School. Drive and determination played an important part in the success as did the undying effort displayed on the field throughout the season. Much praise is given to the coaching staff and players.

Varsity Cheerleaders

The Varsity cheerleaders, under the direction of Miss D.D. Geter, have jumped, practiced, yelled and even cried to support the main men and women in their lives — the BULLDOGS! Chosen to perform a hard job, the cheerleaders struggle to share and inspire true Bulldog spirit in every way. Planning pep rallies, making posters and, most importantly, leading the student body instills a sense of real Bulldog pride in these girls.

This summer, these junior and senior girls attended Golden Eagle Cheerleading Camp at Chowan College. By hard work and cooperation, each girl brought home an excellent ribbon. The cheerleaders also participated in Carowinds Cheerleading Competition.

Congratulations to a group of girls committed to building spirit at TSHS!

The Junior Varsity cheerleaders can be described in three words — concerned, spirited and enthusiastic! These sophomore girls have given their support to the J.V. athletes in every way.

Bringing home a spirit stick and "excellent" ribbon from Golden Eagle Cheerleading Camp at Chowan College portrays the outstanding qualities of this year's J.V. squad.

The cheerleaders, under the direction of Miss D.D. Geter, have displayed how proud they are to be Bulldogs and should be congratulated on a fine year.

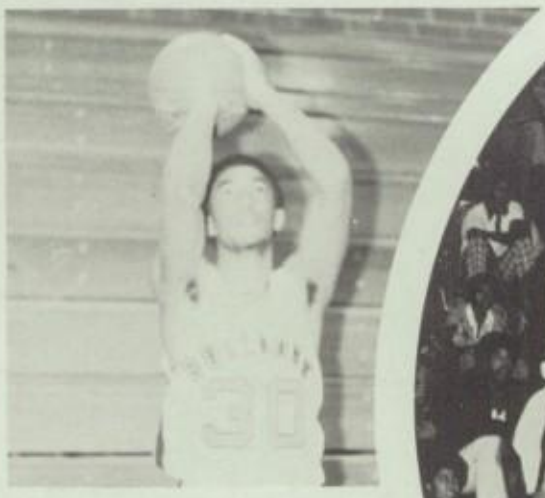
The Thomasville Wrestling team continued its winning ways this season with a 12-2 record. The Bulldog matmen dropped a pair of heartbreaking matches but never gave up. Several key injuries hampered the team, but some very eager replacements did a fine job.

The Bulldog wrestlers swept the Trinity Invitational Tournament for the first time as three wrestlers won individual championships while three took runner-up honors. A total of nine wrestlers placed in the top four. The team participated in the WNCHSAA Tournament with high hopes of doing well in February.



BASKETBALL

The Varsity Boys' Basketball team finished the 1977 season after much hard practice and hard play. Coach Mike Allred boosted his team onward spurring a sense of pride in each of the team members. The hustle and teamwork provided for many exciting games.

Despite tough competition, the junior varsity basketball team made a fine showing in the South Piedmont Conference for 1976-77. The team placed third with an 11-6 overall record. Outstanding this year were the consistent high scores leading to victory. The cooperation and attitude displayed by team members made this a successful year for the J.V.

Thomasville's Girls' Varsity Tennis team showed much improvement this year. With nine players returning from last year and nine new recruits, the girls proved to be stiff competition in the conference. The 1977 TSHS Track team will be one to remember. Under the direction of Coaches Stan Styers and Allen Brown, they enjoyed a great year. There were many individual stars and the overall team was outstanding. With many athletes returning, the team showed great depth and character always working together to bring forth a win. Putting together a yearbook is not an easy task. Seldom do people really stop and realize the many long and hard hours of work and worry that are necessary to put forth a good annual. We would like to recognize the following contributors to our 1977 GROWLER!:

Mr. Allgood for his special attention to the needs of the staff.

Mrs. Osborne, faculty and stuent body for their cooperation and inspiration.

The Delmar Company and Mr. Renfro, our Delmar consultant, for his undying patience and guidance throughout the year.

Mr. and Mrs. Elmo Marsh for handling the taking of senior pictures, along with Homecoming and Miss TSHS court pictures.

The TIMES staff for their generosity in donating pictures.

Mrs. Susan Lawrence for taking the time out of her busy schedule to select our Miss TSHS.

The school newspaper staff along with Jerry Harper for photography contributions and Leigh Jones for some fine art work.

The sponsors and advertisers who helped to finance this year's annual.

Mrs. Joanne Cameron, without whom we could not survive!!

The 1977 GROWLER staff for giving their time, effort and a part of themselves to put together this annual. THANKS!

Jane and Ruth
